

Fall 2026 Accel 7th Math Support Course

Sundays 3:50-4:35pm
in Virginia-Highland

This classroom experience will closely follow the rhythms of DT Howard's accelerated 7th grade math course.

Class activities will include both preview & review of content, engaging supported practice, and opportunities to ask questions.

Dates

August: 9th, 16th, 23rd, 30th

September: 13th, 20th, 27th

October: 4th, 18th, 25th

November: 8th, 15th, 29th

December: 6th, 13th

Course Fee: \$510

Location:

743 Virginia Ave NE, 30306
(Virginia-Highland Church)

Meet your teacher

Ms. Pool is a Howard parent and certified math teacher who has taught and tutored math for 19 years. In 2024, when her daughter was a 6th grader at Howard, she began deep diving into the middle school math curriculum, developing resources and classes to support students.
